

Bishop Press Release

"I had no idea."	There will be discussions.	Seriously, Accountability.	So many questions are raised.	You know the Pope is great.
The Dallas Charter is Great!	Serious discussions.	We have awareness now.	We have to do more.	You took notes on that thing about the death penalty, please say yes?
We are having a spiritual crisis.	In committees!	McCarrick	We're gonna work with the Pope.	If I say the word "sex" I've covered this, right?
We are deeply concerned.	We were not properly attentive to the dimensions of the problem.	Did I say Accountability yet?	Everything is very complex.	Something to do with seminarians? And clergy? Okay yeah maybe.
So much sympathy for the victims!	Accountability!	We are feeling bad feelings.	We care for children very much.	We love immigrants. Could we go back to talking about immigrants?
